Get Your DPF & DOC Cleaned Locally!

Tri-County International now cleans DPFs (Diesel Particulate Filters) and DOCs (Diesel Oxidation Catalysts) on our State-of-the-Art FSX Cleaning Machine at Tri-County International Trucks - Warren Branch.

Tri-County International's DPF/DOC Cleaning Service has proven so needed and so popular that the 12 hour baking cycle required on especially dirty DPFs and DOCs had become a bottleneck...

SO TRI-COUNTY MADE THE INVESTMENT IN A SECOND STATE-OF-THE-ART FSX CLEANING MACHINE TO CUT WAIT TIMES FOR OUR VALUED CUSTOMERS.
